Correction to: Predicting in vivo absorption of chloramphenicol in frogs using in vitro percutaneous absorption data

Victoria K. Llewelyn^{1,2*}, Lee Berger³ and Beverley D. Glass¹

Correction to: BMC Vet Res 17, 57 (2021)
<https://doi.org/10.1186/s12917-021-02765-5>

The original article [1] contained an error mistakenly caused by the production team whereby the footer for Table 4 was omitted from the published article. This has since been re-introduced.
